Connecting with Appalachian Communities: Plain Talk About Health

A workshop for those dedicated to improving the health of West Virginians

By attending this workshop, participants will learn about:

- Appalachian culture and its impact on health
- Digital media in Appalachia and older populations
- Developing culturally appropriate materials
- Developing materials that address health literacy
- Effective health messaging techniques
- No cost to attend
- CEUs provided*
- Open to healthcare professionals and community members—anyone who works to improve the health of West Virginians
- Space is limited

More workshop details to follow!
