

**Front page of Chemical Hygiene Plan for Lab Workers in Each Laboratory
in the Department of _____ at WVU HSC.**

**I have read and understand the Chemical Hygiene Plan and Section _____,
Addendums of Procedures. I know where the Material Safety Data Sheets are
found in this laboratory, and I understand that I may consult them at any time. If I
have questions about the handling of any chemical I know I may ask the Principal
Investigator, the Health Sciences Safety Office at 293-6924 (during regular work
hours) or Environmental Health and Safety at 293-3792, or, in an emergency (such
as a fire or significant hazardous chemical spill) 293-4394 (Radio Dispatch 24/7).**
