

Health Sciences Safety Committee

Meeting Agenda

Thursday, January 26, 2012

1:30-2:30

In Attendance:

- DEP Inspection – Records review Monday
 - Now that we are a large quantity generator, the DEP will be conducting annual inspections. They will most likely be unannounced in the future.
 - Now we are doing extensive follow-up activity.
 - Incinerator issue

- Electrical power upgrade going on in North soon.
- AFA award should be in February
- Library renovation planning nearing finalization.
- Brewere bid for sprinkler system/fire pump testing
- Cancer Center build out in discussions
- Brad, we need to talk about Dental Tracker and SafetyClean.
- Will be offering Mandatory training for all laboratory personnel. We will conduct 7 training sessions during the month of February. Email should go out tomorrow or Monday.
- Conducted a safety orientation for Pathology Assistant training.
