**Department Administrator or
PI Responsible for Payment*:** _____

Description of Materials	Amount (Volume/Activity)

A Waste Brokerage Firm is contracted to pick-up and dispose of all waste received or collected by the WVU Department of Radiation Safety. The cost incurred for disposing of radioactive material is the responsibility of the department or principle investigator listed above, according to WVU Radiation Safety Department policy endorsed by WVU Provost and VP for Academic Affairs and Research.

**A \$25 processing fee will be assessed for each waste request processed.*

By signing below, I hereby accept full responsibility for any incurred costs for disposing of the above materials.
