### **Lunch and Afternoon Breakout-Out Sessions:**

Lunch will be provided in the HSC Healthy Café seating area and break-out sessions will be held in the John Jones Conference Center in the HSC South Wing. Signs and event facilitators will direct you to the appropriate locations.

### **Conduct and Safety and Waivers:**

This event will include working with potentially hazardous items including sharps and surgical instruments and proximity to human tissue. All participants will be asked to review safety information and sign a waiver acknowledging the risks associated with participating in certain activities such as suturing. Participants are expected to follow **ALL** instructions provided by session facilitators to ensure personal and other participants' safety during activities. Participants may choose to discontinue an activity at any time. Participants not following instructions will be asked to leave the event.

### **Dress Code:**

Dress is casual, however, participants are expected to wear long pants and closed toe shoes due to the use of potentially hazardous items including sharps and surgical instruments and proximity to human tissue. We also recommended dressing in layers such as bringing a light jacket or sweater.
