

Faculty Development Book Club Session

The Spark of Learning:

Energizing the College Classroom with the Science of Emotion

by Sarah Rose Cavanaugh

Discussion topics include:

- The role of emotions in teaching and learning.
- Fit between your personal values/beliefs and premise of the author.
- Letting go of the old and integrating the new, is there time?

This book has been described as “a phenomenal contribution to the scholarship on teaching and learning. The author engages her audience through narrative and humor.”
Elizabeth Barre, Rice University
