Kimberly Horn, EdD and Geri Dino, PhD  
WVU School of Medicine, T2R2

Each presentation is available to view via [webcast](#). Participants viewing over the internet will still need to register to receive continuing education credits.

## Objectives:

By the end of the presentation, the attendee will be able to:

1. Better understand tobacco dependence.
2. Recognize the importance of tobacco cessation intervention across various populations.
3. Identify state-of-the-art tobacco cessation techniques and strategies across populations, with emphasis on the new US DHHS guidelines for treating nicotine dependence.

Target Audience: This program is designed for Public Health faculty, staff, students, Physicians, Nurses, Dentist, other healthcare professionals, and anyone interested in the on going research in the public health field.

## Continuing Medical Education Credit:

The West Virginia University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The WVU Office of CME designates this educational activity for a maximum of 1 AMA PRA Category 1 credit(s)<sup>™</sup> per session. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This continuing education activity has been provided by the West Virginia University School of Nursing for 1.2 contact hours per session. The West Virginia University School of Nursing is an approved provider of continuing education by the State of West Virginia Board of Examiners for Registered Professional Nurses, Legislative Rule #19CSR11-4 under provider number WV 1996-0120RN.

The West Virginia University School of Dentistry is a ADA CERP Recognized Provider, and approved Academy of General Dentistry (AGD) Program Approval for Continuing Education (PACE) Program Provider (FAGD/MAGD Approved 11/01/05—12/31/09), and an Association for Continuing Dental Education (ACDE) Approved Provider. This program is approved for 1 CE credit hour per session.
