

**GARRETT COUNTY  
MEMORIAL HOSPITAL**

Garrett County Memorial Hospital is a 56-bed, not-for-profit, acute care facility situated in the Appalachian mountain region of Western Maryland.

GCMH houses a Family-Centered Maternity Suite, 32 bed Med Surg Unit, 4-bed ICU, Same Day Surgery Unit, Emergency Room and a Sub-Acute Unit.

GCMH is the second largest employer in Garrett County, has a staff of 320 professional, highly skilled employees backed by state of the art equipment.

**Garrett County Memorial Hospital  
NURSE EXTERN PROGRAM 2009**

This program allows nursing students to work in the hospital under the direction of an experienced RN mentor during their last year of college and obtain valuable clinical experience and skills.

This program will provide a structured experience in which participants have an opportunity to improve skills, gain the experience of working as a member of a team. It will also allow the student to learn more about the variety of clinical education and career opportunities associated with a rural hospital.

**Become a part of the  
Health Care Team**

**QUALIFICATIONS**

- Nursing students currently enrolled in a program approved by a State Board of Nursing to prepare candidates for Registered Nurse Licensure. If enrolled in an Associate program must have completed at least one half of required nursing courses with a GPA of 3.0.
- Each applicant must submit an application and two written recommendations from clinical instructors based on the student's ability to use the nursing process, organizational abilities, level of interpersonal skills as well as technical clinical skills.
- Current CPR card.
- Successfully pass the application and interview process.
- Successfully pass pre-employment requirements for a new hire.
- Be able to complete all duties per job description.
- Be able to work 32-40 hours per week, rotating shifts for an eight week period.
- Deadline to apply April 30, 2009.
