Presents an "I Can Publishing" Workshop presented by
Loretta Manning, MSN, RN, Executive Director ...

PHARMACOLOGY MADE INSANELY EASY:

A Quick Approach to Learning

A program that will transform your learning to be fun and easy while you learn pharmacology!
In just 1 fun-filled day, you will be ready to tackle the BIG test, the ONE that counts, the NCLEX-RN®!

You will leave knowing that you did LEARN the information!

- L** Learn to prioritize your medications and nursing care
- E** Excel in test taking
- A** Associate learning by using mnemonics, music, active learning, images, color
- R** Remember all those drugs and still have fun
- N** Note: your confidence in testing and clinical decision making will increase
