**WVU Cancer Institute**

# Second Annual Lung Cancer Conference: Catalyzing Change to Address Lung Cancer

November 1-2, 2018

## Course Description

The Second Annual Lung Cancer Conference: Catalyzing Change to Address Lung Cancer is a two-day event designed to elevate awareness about the impact of lung cancer across West Virginia. The conference will engage health care providers, health care delivery systems, community based organizations, payers, advocates, public health educators, and policy makers to improve lung cancer screening, early detection, treatment, and survivorship.

## Educational Objectives

At the conclusion of this conference, participants should be able to:

- Describe the current role of policy and its direct impact on those seeking screening for and diagnosed with lung cancer.
- Create an action plan for local implementation to improve prevention, screening, early detection, and/or survivorship of lung cancer.
- Summarize updates in lung cancer care including immunotherapy and robotic surgery.

## On-line Registration

To register for this complimentary continuing education conference visit <https://www.surveymonkey.com/r/2018LungConf>

**Please note: This conference is free of charge however, pre-registration is required as there is limited seating available.**

Please contact Cancer Prevention and Control at 304-293-2370 if you need additional information.

## Location

The Erickson Alumni Center is located in Morgantown, WV at One Alumni drive in the heart of the Evansdale Campus at West Virginia University. The Center is less than 400 yards from Milan Puskar Stadium and offers convenient parking with easy access to Interstate 79.

For more information please visit <https://www.alumni.wvu.edu/erickson-alumni-center>
