## **OBJECTIVES**

*At the conclusion of the activity, the participants will be able to:*

- State the days' supply limitations for prescribing Schedule II opioids in WV
- Identify the documentation requirements when prescribing Schedule II opioids in WV
- Discuss a prescriber's responsibilities to recommend alternatives other than Schedule II opioids to treat pain

## **ACTIVITY DESCRIPTION**

This knowledge-based lecture-format activity is designed for dentists, nurse practitioners, optometrists, pharmacists, physicians, physician assistants, podiatrists, and veterinarians in all practice settings at no charge and will focus on the opioid reduction act.

## **CONTINUING EDUCATION**

### **Pharmacy**

The West Virginia University School of Pharmacy (WVUSoP) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity (ACPE UAN 0072-9999-19-070-L03-P) is approved for a total of 1.0 contact hours or 0.1 CEU's of continuing pharmacy education credit. WVUSoP will report your participation in the program to NABP CPE Monitor within 4-6

weeks for all participants who successfully complete each session. Successful completion includes attending the entire session, signing the attendance sheet and completing an online evaluation form. A statement of attendance can be printed on-line at <https://pharmacyce.wvu.edu/user/login>.

### **Accreditation: Dentistry, Medical and Nursing**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the WVU School of Medicine, the WVU School of Pharmacy and the WV School of Osteopathic Medicine. The WVU School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The WVU Office of CME designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This continuing education activity has been provided by the WVU School of Nursing for 1.2 contact hours. Of the total hours earned, 1.2 will be in the area of pharmacology consistent with advanced pharmacology / pharmacotherapeutic competencies of advanced practice nursing. The WVU School of Nursing is an approved provider of continuing education by the State of West Virginia Board of Examiners for Registered Professional Nurses, Legislative Rule #19CSR11-4 under provider number WV-1996-0120RN.

The WVU School of Dentistry is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The WVU School of Dentistry designates this activity for 1 continuing education credit.

This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between the WVU School of Dentistry and the WVU School of Pharmacy and the WV School of Osteopathic Medicine.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at [ADA.org/CERP](http://ADA.org/CERP).

Participants are cautioned about the potential risk of using limited knowledge when incorporating new techniques and procedures into their practices.

### **Optometry**

The West **Virginia Board of Optometry** has approved this activity for 1 hour of CE credit. The 1 hour of CE credit can be used towards the Drug Diversion and Best Practice Prescribing requirements however licensees will need to take at least 2 additional hours of CE to meet the full 3 hour requirement.

## Veterinary

This continuing education activity is approved by the **West Virginia Board of Veterinary Medicine** for 1 CE Hour for Veterinarians.

**Disclosure** - All those in a position to control content have indicated that they do not have any relevant interests to disclose.
