Monday, July 20, 2020 ~ 11:00—12:00 p.m.

**Target Audience:** The intended audience for this conference are physicians, physician assistants, nurse practitioners, advance practice nurses, social work and ancillary team members. *\*For those not listed, please check with your licensing agency for credit approval.*

**Conference Description:** Welcome to the Sixteenth Annual HIV in West Virginia Conference webinar series. Your host is the MidAtlantic AIDS Education and Training Centers: WV Regional Partner. Due to the cancellation of our in-person conference, these virtual webinars intend to inform medical providers of vulnerable counties in West Virginia regarding the rapid transmission of HIV and other infectious diseases, importance of identifying people with HIV, discussions of the AIDS Crisis of the past and Intimate Partner Violence. Also, included will be faculty discussing issues surrounding the opioid epidemic.

The yearly goals of this conference are to enhance health care providers' knowledge base regarding the provision of health care for those with HIV and to augment improved patient outcomes for the HIV positive individual.

This webinar "Part Two of a Series of Six: Tackling the Epidemic, Not the Opioids" will discuss issues surrounding the opioid epidemic in West Virginia.

**Objective:** At the end of this program, participants should be able to discuss the importance of involving current users and those in recovery in designing of HIV prevention models.

**Speaker:** Judith Feinberg, MD, Professor, Behavioral Medicine & Psychiatry, West Virginia University, Morgantown, WV
