Lectureship Speaker

Professor of the
Departments of
Surgery and Oncology
at the University of
Alberta
Director of
Otolaryngology - Head
and Neck Surgery at
Alberta Health Services

Dr. Hadi Seikaly is a professor of the Departments of Surgery and Oncology at the University of Alberta in Edmonton. He is the Director of the division of Otolaryngology – Head and Neck Surgery and the Edmonton Zone Clinical Section Head for Alberta Health Services. Dr. Seikaly is the President of the Canadian Association of Head and Neck Surgical Oncology.

Dr. Seikaly graduated from the University of Toronto Medical School and completed his residency training at the University of Alberta in Otolaryngology Head and Neck Surgery. He then obtained fellowship training at the University of Texas Medical Branch in Advanced Head and Neck Oncology, and Microvascular Reconstruction. Dr. Seikaly completed a Masters of the Arts in Leadership from the Royal Roads University in 2014.

Dr. Seikaly is the recipient of the many prestigious awards including the Edmonton Zone Medical Staff Association researcher of the year, the Canadian Society of Otolaryngology Head and Neck Surgery award for national educational excellence, the Ernest Skakun award for service to medical education, and the Mentor of the year. He is a member of numerous surgical societies, nationally/internationally and has been invited as a visiting professor to over ninety institutions lecturing on all aspects of Head and Neck Oncology and Reconstruction.
