Tips and Tricks for Successful Open Access Publishing

Session Objectives

Following this knowledge-based program, participants should be able to:

- Define open access and how it differs from traditional publishing.
- Define ways to evaluate open access journal quality, including the identification of predatory journals.
- List tools available to help faculty and graduate students find appropriate journals in which to publish.
- Describe guidelines and show statistics for the WVUL Open Access Author Fund, as well as for other WVU Open Access memberships.
